Your Administrators

Mr. Mollenkopf and Supt. H. B. Turner capably supervise your educational program. With a faculty of sixty-five members, an enrollment of sixteen hundred students, and a building capacity of forty-three classrooms, it is a jig-saw puzzle to stagger the schedule in order to include the wide variety of courses in an eight-hour day.

During night-school session, October 18, Principal Milton Mollenkopf and Supt. H. B. Turner visit the library.

What's new? . . . office practice, stencil work, carbon copy, manipulation of machines . . . what fun when advanced students receive school credit for working part-time in local offices.

"Start talking" is the signal given to E. Layshock and N. Dakin by D. Brehm, who makes the wax impression. Voices of all speech students are recorded to aid in perfecting their methods of speech-making. The usual response is, "Do I sound like that?" A course in "Speech Correction" is an important addition to the Department this year.

Smilin' Through...presented January 18 and 19
...directed by O. A. Lovett.

The cottage-garden setting, created by woodshop boys and art students, was "a thing of beauty." Here V. Corsatea and K. Graham design door panels; L. Imburgia (in window) and W. Boyd paint bricks; L. Brogan and A. Tueche prepare to complete the stone wall.

Happy ending it is when Uncle John (R. Nader) forgives his life-long friend, Dr. Harding (D. Daugherty), and smiles approval on the young lovers, Kathleen (M. Watson) and Kenneth (W.

Taylor). Even rejected Willie Ainsley (W. Hawk) looks happy.

Moonyeen (M. Dando) persuades Jeremiah Wayne (N. Silpe) not to make a disturbance at her wedding. A few moments later this intoxicated youth causes her tragic death.

Laughing and joking, the wedding party waits for the bride and groom. These friends are played by (front) G. Myers, J. Cartwright, L. Miller, D. Harcarik, (rear) L. Griffith, B. Byrnes, and J. Leisy. The house-keeper, Ellen (A. Mantovani), adjusts a flounce. (In no picture is Sarah Wayne, played by Margaret Cole.)

HIGH LIFE

Just Off the Press. The bi-weekly edition of the school newspaper is checked out by the editors. Seventeen hundred copies are distributed to the entire school within ten minutes. Featured this year were "Much Ado" by Pat Williams, January Editor, and "Sounding Board" by Bob Hughes, June Editor. Mailing the Service Edition kept Editors Rheta Mae White and Norma Jean Render on their toes, for in these post-war days G. I. Joe changes his address frequently.

Journalism students boosted the November school levy, but definitely. Advertising throughout the city was their goal. In the picture, "High Lights" editors, Norma Jean Render, Jack Clarkin, and Pat Marvin, set out to contact down-town business men. ("High Lights" is the weekly news column in "The Tribune.")

"Return to Peace" characterized "The Cauldron." Selecting 50 best of 600 student themes taxed the critical powers of the selectors. All-American rating for 1945 inspired this year's staff and Sponsor Eleanor Jewell to put out an equally attractive magazine. Above, Make-Up Editor Rheta Mae White and Literary Editor Sue Day discuss copy with Typist Agnes Carbone.

Your Gridiron Season

WARREN 29 EAST TECH 0

Harding High School football squad opened up the 1945 nine-game season, hoping for revenge. They got it. Using an attack which featured the speediest backfield in the state of Ohio and a line up front, not unlike that of Stonewall Jackson, Warren brought East Tech's gridders to a dead stop.

Abe Williams ripped off the first Red and White tally when he raced around the end to open the second quarter. Chapman of East Tech was dumped in his end zone after Len Corbin had scored from 16 yards out to give Warren a 15-0 advantage. Corbin also raced 33 yards in the same heat to add his second touchdown. Louie Reed climaxed the scoring with a 20 yard snake-hip exhibition. Bill Blakely kicked three extra points.

Despite the dazzling backs, the line proved to be the real heroes of the contest, holding East Tech to just one yard gained all night.

Guard

Almost-away. A. Williams, fastest school-boy halfback in the state showed the East Tech Scarabs a magnificent exhibition of break-away running. On this play Williams is being brought down after a 34 yard dash to the Tech 40.

WARREN 7 STEUBENVILLE 6

Steubenville Central offered stiff competition. The net result was a breath-taking 7-6 victory, which the Prexies eked out over the Ohio River boys in the second game of the season.

Warren scored on a one-in-a-million break in the second quarter when, after George Pulca fumbled, Abe Williams picked up the pellet and dashed 35 yards over the goal. Only his speed enabled him to get away. Bill Blakely kicked the game-winning point, since Steubenville had led 6-0. The Irish had scored after recovering a fumble on the Red and White three. There was no scoring in the second half as Warren clung to its slim lead.

WARREN 32 CANTON McKINLEY 12

Dan Cardinal
Tackle

For the second year in a row the Canton Red and Black became a frustrated pack of Bulldogs with their tails dragging on the ground. Meeting Warren in the third tilt of the fall campaign for each, McKinley was completely baffled by Warren's speed.

Len Corbin opened the scoring festival for the Presidents with runs of 41 and 18 yards around the Canton left end in the second period. George Pulca made it 19-0 in the third quarter with a 43 yard run. McKinley pushed over a tally to open the fourth quarter, but Pulca went 74 yards and Abe Williams 64 yards for touchdowns before Canton put the lid on the night's activities with a score. Bill Blakely kicked two extra points.

Warren's vaunted running power hit the season peak in this game.

Fullback G. Pulca is assisted by Manager S. Stocz back to a welcome dressing room, following the speedy junior's 74 yard sprint to paydirt against Canton.

Little L. Reed, 132 pounds of greased lightning, runs afoul of two hefty Bulldogs and is downed after a five-yard advance. The picture was snapped early in the first quarter.

WARREN O MEMORIAL O

The rains really came before the Campbell Memorial-Warren "sea" battle in which neither school had much opportunity to score. Each team pushed over a touchdown, but both double-stripe plays were ruled out by officials.

Abe Williams slipped around the end and sped 40 yards to paydirt, but an official said he stepped out on the 21 yard line. Pictures later showed that Williams might have been out on the 27, but on the 21 he was a foot inside the line.

Memorial's gripe play came when Len Corbin fumbled on his own 45 and John Bartos picked it out of the air to go the distance. The referee said no, because the whistle had already blown.

Capt. Bob Busbey suffered a leg injury in this game which led to his hospitalization for the remainder of the season.

Cheerleaders supreme took over at the Campbell Memorial rally: (front) Misses Paddack, Reager, Wright; (rear) Messrs. Kraker, Edmunds, Marowitz.

WARREN 13 RAYEN 0

With sand strewn everywhere to smother the water-logged field, Warren's fleet halfbacks could not dig in and get started in the annual homecoming game. Len Corbin stepped off 43 yards for a touchdown in the third period, and Abe Williams grabbed a Lee Dunkerton pass for the only other Executive tally, which came in the final heat.

The event of the night came when Frances Iannizzaro was crowned homecoming queen a few moments before grid hostilities opened up. Her attendants were Dorothy Marco and Ruth Mae Harris (picture on page 90). As at every game, the W. H. S. band held the lime-light with snappy half-time formations.

It's news, when All-Ohio L. Corbin is stopped for a short gain, but Youngstown Rayen succeeded in doing just that in a grueling contest played on a field braced with tons of sand. Two Rayen tacklers have Corbin in their grasp, while Fortunato (26) and Tabaschino (21) close in to help stop the rampaging star. L. Reed surveys the goings on, minus his helmet, from a prone position. B. Blakely concentrates on Tabaschino.

Cleveland Shaw held the Warren Red and White in heavy shackles for three quarters before Abe Williams broke the ice with a 77 yard run to the Shaw goal, which left everyone tasting dust.

Len Corbin opened the scoring with a 24 yard race in the first period. Bill Blakely added the extra point, but Shaw came flying back in the second heat to tie it all up.

The inspired Shaw eleven continued to push the Warren pigskinners all over the gridiron until Williams unleashed his leg power. Little Chuck Schier, mere 135 pound sophomore, went into action a few plays later to score from 28 yards out. Blakely kicked both extra points in the final period.

The main trouble with Warren (in this and all other games) seemed to be lack of passing power to supplement running speed, lack of good plunges, and a line which was great on defense but mediocre on offense.

Jack Phillips
Fullback

WARREN 0 MASSILLON 0

The mighty Massillon Tiger came roaring into Warren to meet the Presidents for their seventh tilt, and pushed the locals all over the field. Warren never got within the Tiger 30 yard line, while the Orange and Black was constantly knocking on the Warren goal.

Two Massillon markers were called back as the Red and White's luck continued to hold. On the first set of plays after the kickoff, Massillon rushed to the Warren 10, where Bert Webb went over, but it was disallowed.

Midway thru the third period, Jack Zeller, Tiger end, blocked a Warren punt and ran 47 yards for a touchdown. It was also called back. Warren beat the Tigers up badly last year, winning 32-12. Massillon just couldn't get revenge this year.

Blazing B. Webb, the 150 pound main cog in the powerful Massillon grid machine, is dumped hard by Center J. Rogers after a short gain. D. Leihgeber races over to assist Rogers, but the latter has the situation well in hand. Webb was later named halfback on the All-Ohio High School First Team.

A junior grade "Obie" crouches in fear of what will happen to him at the 12B "Beat Massillon" rally prior to the tilt with Tiger-town.

Touchdown! Buried somewhere in a mass of Niles players is 155 pound W. Corbin, tightly clutching the pigskin. Other Warren players identified are A. Williams on his hands and knees, and G. Pulca (58).

WARREN 19 NILES 0

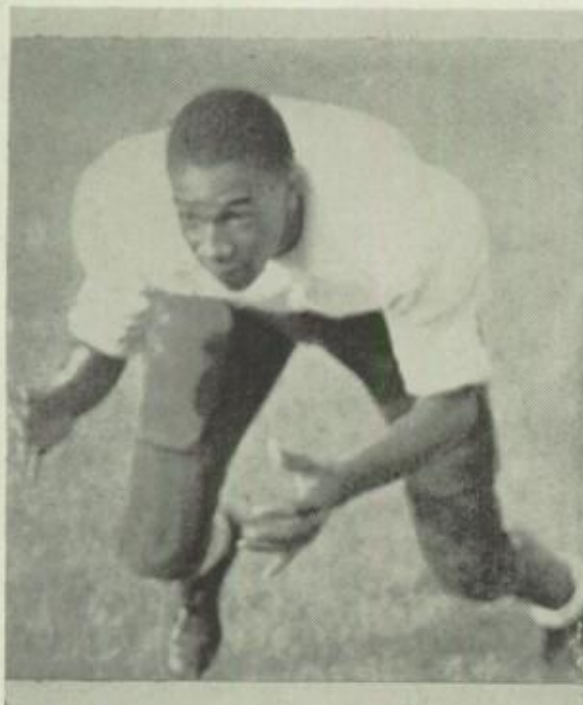

Abe Williams raced 109 yards, the longest run in Warren football history, to climax the annual Warren-Niles football clash.

Walt Corbin gave Warren its 6-0 lead by plowing over the double stripes just before the second quarter ended. George Pulca roared into the end-zone early in the fourth quarter, and Bill Blakely made it 13-0. With only 10 seconds left, Williams made his stirring dash. He left every Dragon player counting the spikes on his shoes.

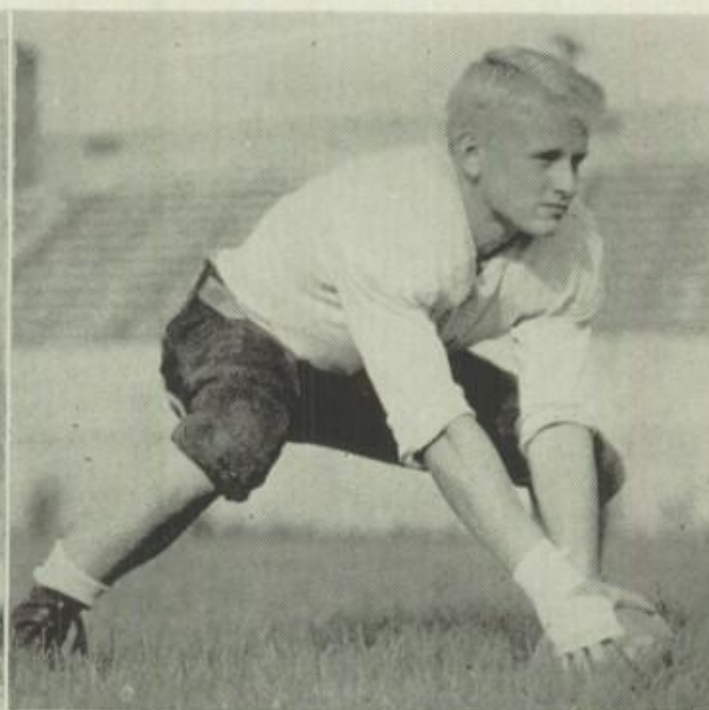

The game was marked by slugging and rough play thruout on the part of Niles, which caused the Warren School Board to break off athletic relations.

The Russ Stein Trophy is awarded by its donor to Stellar L. Corbin and Coach "Heinie" Beck, following Warren's victory over Niles. The presentation took place at the annual football recognition dinner, while Fritz Howell of the AP and main speaker at the dinner looks on.

WARREN 18 NEW CASTLE 12

The Warren Red and White moleskinners handed Coach "Heinie" Beck the most successful football season in history by dumping New Castle 18-12 at New Castle.

Abe Williams broke a first-half scoreless deadlock with torrid dashes of 61 and 39 yards within two minutes of each other in the rugged third quarter. Walls plunged over from the one yard line twice at the outset of the fourth period to put New Castle back in the game, and it looked like Warren's third tie of the season.

Then with just two minutes of play remaining, All-Ohio Len Corbin blasted over from one yard out to give Warren the game. It gave the Executives a season record of seven wins and two ties.

the Canton-McKinley fray, in which all five Red and White touchdowns came on breakaway runs.

Scoreless ties with Memorial and Massillon knocked Warren out of the running for the mythical state championship. After defeating Canton, Warren was mythical state champ for one week.

Football Roundup

Coach "Heinie" Beck and his colleagues put together a team, which had undoubtedly the fastest high school backfield in the state. Long runs and fast breaking plays gave the spectators more than their share of thrills. This was especially true in

Three Warren seniors received All-Ohio recognition. Len Corbin placed on the first team for the second consecutive year at left end, Abe Williams made second team halfback, and Bob Nader received honorable mention for right end.

The season record of seven wins and two ties was the finest ever compiled and the first time in history that Harding has gone undefeated.

Basketball Roundup

Harding High School's "pore little boys" held the role of "giant killers" in nearly every game during a hectic 22 game season, which was climaxed by a 6 game tournament schedule.

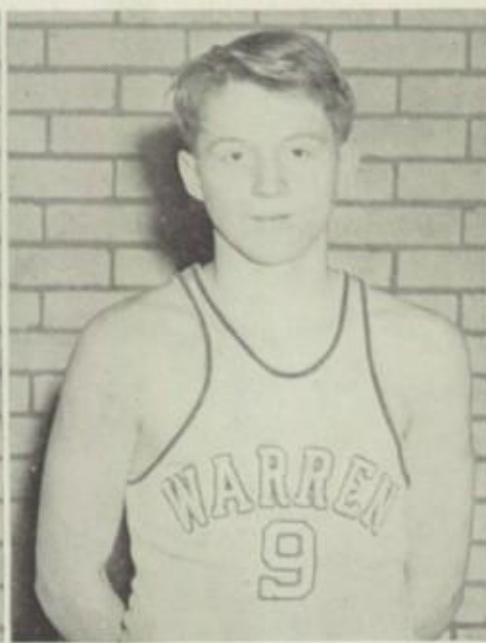

Despite the fact that Coach Dwight Lafferty lost two of his best players, Bob Robison and Bill

Kraker, in January thru graduation, the Red and White still rolled along with determination. The season ended with 17 of 22 games won.

Going into the District "A" Basketball Tournament, the Laffertymen received a seeded position, but it meant very little in the face of the stiff oppo-

sition in the offing. Boardman nearly defeated Warren, but the Presidents managed a come-back which won the game. Then the Red and White downed Alliance, Struthers, and Canton Lincoln in quick succession, with each succeeding game seeing the power of the Executives growing.

With these four victories, the Prexy quintet qualified for the Regional "A" Tournament. In the first game, it stopped Lakewood's powerhouse, 44-36. The following evening, Akron North, composed mostly of giants over six feet, met the Lafferty squad and came up with a 38-33 victory.

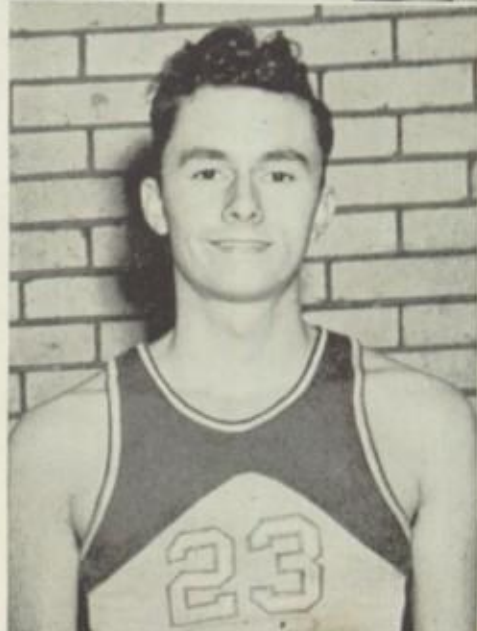

Even so, Warren had gone far enough to be ranked as one of the top eight teams in the state. This is farther than any other Harding quintet has ever gotten. The basketball team easily kept up with its brethren, track and football, in the great renaissance of sports during the past year here.

Warren had one of the smallest squads in the state with only one player hitting the six foot mark. But what the quintet didn't have in height it made up in aggressive fighting spirit. It defeated some of the most powerful basketball teams in this section of Ohio and had one of the heaviest schedules in the state, playing two games a week most of the time and three some of the time.

No single player was really outstanding. Teamwork was the most important single factor in ringing up the large amount of victories. While Ted Lotz and speedy Gene Gherlein graduate in June, the majority of veterans will be back for the 1946-47 season.

MEET THE CHAMPS

Seniors Are Best. Led by J. Lillie, the January 12A squad won the 1945 intra-mural track meet in a breeze. The winning team, at upper left, includes: F. Bielecki, J. Lillie, A. White, T. Humes, H. Moore, W. Savage, J. DeFoor.

Top cage honors were copped by the June 12A1 sharpshooters of GAA. Pictured at lower left: (front) J. Czibula, S. Kordes, V. Corsatea; (rear) W. Mermer, E. Mackey, E. Jones, H. White; (not in picture) Jerrie McAleer.

Quick on the return were these January 12A volley ball victors of GAA: D. Harcarik, J. Astolfi, A. Brown, M. Cole, R. Stein, S. Bell; (not in picture)

Joyce Hare, Mary Petrick, Angela Mantovani, Catherine Reed.

First-place winners in the individual events of the 1945 spring intra-mural track meet are shown at upper right: (front) D. West, O. Brown, D. Summerhays, A. Hinkson; (rear) B. Nunley, J. Lillie, A. White, P. Sheptock, T. Streitferdt, G. Nolfi, F. Bivins, B. Brownlee.

Basketball Champs. The Wolverines were "in" this year in the club contest. Satisfied with runner-up honors last year in the intra-mural noon basketball tournament, the Wolverines came back strong to take the title this spring. The winners, pictured at lower right, are: (front) B. Boyd, L. Dunkerton; (rear) F. Matey, B. Oatley, D. Jones.

GOLF

Divot diggers warm up for golf practice. After a long lapse, the Harding golf team reestablished itself in the sports field in the spring of 1945. All-around athlete B. Robison prepares to "drive one" while, from left to right, F. Matey, B. Fannin, and W. Munz look on.

TRACK

Track luminaries of spring, 1945, put Warren High on the map: (front) B. Oatley, G. Carr, D. Brehm, B. Kraker, D. Currie, M. Percich; (row 2) I. Yohem, H. Ackerman, N. Smith, G. Laraway, G. Pulca, B. Blakely, N. Spelich; (rear) S. Coggins, B. Gill, L. Reed, B. Busbey, L. Corbin, J. Bollas, A. Williams; (not in picture) Coach Beck.

Track Review

Paced by Jim Bollas, Len Corbin, Louis Reed, and Abe Williams, Warren's 1945 track team was easily the best in the history of Harding High School.

Cross Country returned to Harding last fall after an interval of several years. Coach Weber, fresh from West Junior, was selected to head this sport in preparation for directing 1946 track activities. Members of the team include: (front) N. Dann, L. Pantilla, E. Willoughby, L. Pate; (rear) Coach Weber, D. McClead, B. Hoffhines, J. Green, R. Peirola, R. Lewis, C. Sours, T. Streitferdt, B. Oatley.

The half-mile relay team, featuring the sprinters named, tied the state record of 1:29.4 in the Northeastern Ohio AAU Meet held at Berea in June. Competing against colleges and high schools from Ohio, Warren came in second. In the Salem District "A" carnival, Warren grabbed a second place behind Akron North, repeating the same procedure which had happened to Warren at the Canton Relays, when North slipped past Warren to win first. In the state meet, Warren took third place honors behind Mansfield and Columbus East, who ran one-two.

Four old school records went out the window as the harrier squad put up a valiant fight in the state meet. The half-mile relay team lowered the school record from 1:33.3 to 1:31.2; the mile relay team lowered the record from 3:30.5 to 3:26.7; Corbin came in third in the 220 yard dash, but he broke the tape at 22 flat to eclipse the old record of 22.4; Bollas raced the 440 in 51 seconds to clip two seconds off the former record.

The mile and half-mile relay team, consisting of Bollas, Corbin, Reed, and Williams, was easily the outstanding track feature Warren had to offer. These four runners scored all 19 of Warren's points at the state meet.

Len Corbin went to the State AAU Meet in Columbus and proceeded to smash Bollas' school record for the 440, as he clipped around the course in 50 seconds flat. Abe Williams dashed the only other record to pieces as he sped the century dash in 9.9. He performed this feat twice.

The all-state selections named Corbin to the half-mile relay team, Bollas to the second team in the 440 and a member of the mile relay team.

Warren entered the National AAU held in New York late in June; but sickness prevented the relay teams from running, and the other boys could not qualify in their individual events.

Diamond Season of '45

Warren got off to a bad start, when Leavittsburg's state "B" runner-up squad handed the Presidents a 3-2 set-back. Bob Robison was the losing pitcher in the close contest.

Ted Murray took the hill for the second game against Akron Central, but he fared no better than Robison, and the Executives fell 3-2, as Central pushed across three runs in the last two innings.

Youngstown East was next on the Prexy list. Here is where the pitching of Bill Penman came in to stem the tide. Scoring six runs in the first inning, the Red and White romped to a 14-7 win in a slugfest.

Warren played host to Akron Central in the fourth tilt and got revenge for its early defeat, with "Irish" Ted Murray and his mates coming out on top 6-4. A five-run blast in the fourth inning iced the game.

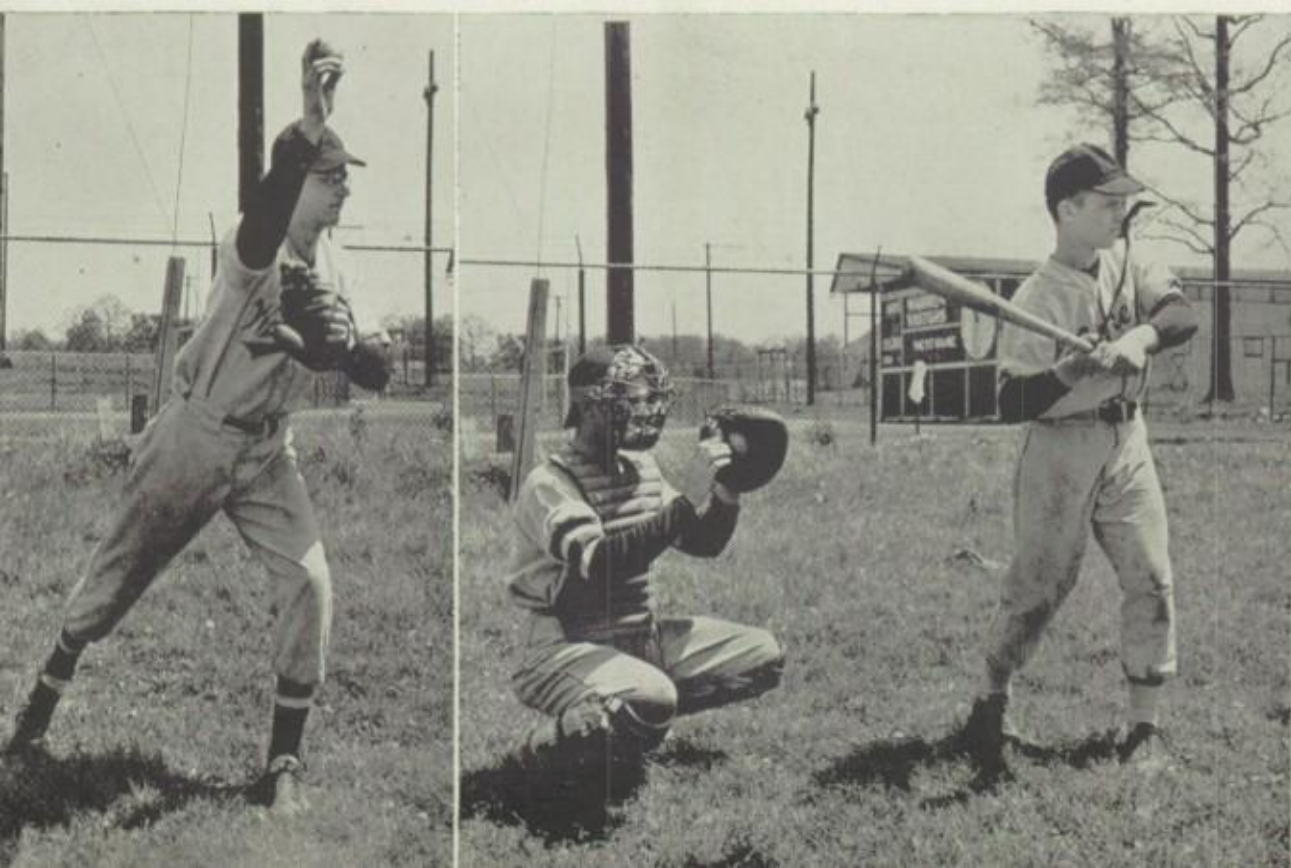

Earl Lewis, who has been signed by the Chicago Cubs, took over the twirling duties as Warren traveled to Campbell Memorial. However, the Red and Black was too tough for the lanky southpaw, and the Presidents fell 5-1.

Then the Red and White nine roared into Youngstown to do battle with East High. Robison was in top form, and East again fell before Harding's big bats with Warren annexing a 4-1 victory.

Penman again took the mound, and it proved to be a "lucky seven" as Warren downed Youngstown Chaney 5-1 there. Chaney got its lone tally in the first inning, but Warren pushed across four runs in the fourth to cop the game.

In the last contest, Murray tamed Campbell Memorial 3-2. Lee Dunkerton blasted a home-run with two mates on base in the initial inning and gave Murray a lead, which the twirler clung to throughout the game.

Due to a mix-up in transportation, Warren was unable to participate in the first part of the state tournament held at Canton.

What do manufacturers make?

"Why, anything and everything," you'll probably say.

Right, but that's not all . . .

Every manufacturer who makes a good product also helps make something else . . . *a strong and prosperous United States.*

He does this in a very simple and fundamental way . . . *by keeping men and dollars at work.*

This is the time-tested American formula for gaining and maintaining a high standard of living. By applying it through free enterprise, we have been able to create more of everything for ourselves than any other nation in the world.

Yet, obvious as it is, this idea has frequently been lost sight of . . . sometimes by ourselves in difficult

times, more often by other nations who sought to create prosperity by state edict and government control.

Here at Mullins we manufacture large steel stampings and porcelain enameled products. It is our aim to make a good product, and sell it at a price that will keep men and dollars profitably employed.

This is our small part in maintaining national prosperity, and we feel our responsibility deeply. Every other manufacturer, whether he thinks of it or not, makes his contribution in a similar way.

To Youth!

The older generation claims that modern youth, with its new-fangled ideas, is on the road to perdition.

The older generation always claims that the good old days of opportunity are gone forever.

Can't you just hear Columbus' old man? "Now, son, just forget these crazy ideas of yours. This old world ain't what she used to be. Just play it safe—get yourself a little fishing boat and settle down."

And then there was the guy who left a good job with the U. S. Patent Bureau back in 1890. He said, "There ain't no future in it; practically everything has been invented already."

The trouble with the older generation is that it's OLD. Its eyesight is bad—it couldn't see an opportunity if it wanted to (and mostly it doesn't).

The truly grand thing about the younger generation is that it is young. If opportunity sulks in its den, youth digs it out, skins it, and makes a warm winter coat.

Here's to YOUTH! May there always be a lot of it around.
